Creating Customers on the Telephone

Techniques to help you get more business and make more appointments in less time on the telephone

One-Day Workshop on Creating Customers on the Telephone

This workshop includes *live* telephone calls to real customers

sales*xcellence's* *Creating Customers on the Telephone* workshop focuses on getting in front of more prospects by teaching the skill of *telephone* cold calling and appointment setting.

The workshop demonstrates the connection between daily activities, the sales cycle, and the number of sales necessary for a consistent flow of qualified appointments. A workshop based on practical skills that get results creates more customers and fills your diary with qualified appointments.

Cold calling and appointment making is usually the least liked part of any sales job. Prospects do not like receiving unwarranted phone calls resulting in rejection and frustration for the sales people.

In our one-day workshop you will learn how to pick up the phone with confidence and an attitude of success. Learn how you can build rapport quickly on the phone. Identify and pre-empt the objections that prevent you from succeeding.

Learning from the secrets of the world's best sales people and discover their approaches and methods that get them results consistently. The workshop is packed with real life examples that get you results. Learn how to qualify appointments so that you only have appointments with the people worth pursuing. Identify the key people involved in influencing the sale, determine the real opportunities and eliminate time wasters.

Eliminate the fear of cold calling. Learn the cause and the solution. With the emphasis on results this hands-on workshop will ensure your success in appointment making, listen to your trainer make live phone calls during this workshop, and then you call your customers live with the enthusiasm to close the appointment there and then.
